The theme of the 1971 El Portal is the history of Tracy High School. We chose this subject because we feel that we must develop an acute awareness of the past if we are to make a better future for ourselves.

As you read our yearbook, take time to give some meaning to the school year preserved here. Remember that pictures and words can provide a learning experience as well as enjoyment.

DEDICATION

The 1971 El Portal will hold a special meaning for many, the graduating seniors, the staff members who put this book together, the people to whom the year "71" brought something special, and above all to Mr. Harvey Miller whose long career in education was concluded. His thirty-four years at Irac High as a teacher, athletic coach, and Dean of Boys must certainly contain many vivid memories---, memories of the many students who passed through this school, and memories of colleagues with whom he has worked.

Mr. Miller's devotion to his profession and his concern for young people over the years has earned him the admiration of all who have known and worked with him. To Mr. Miller's endless list of memories we would like to add the dedication of the 1971 El Portal.

KEIKO'S MESSAGE

"Tracy--oh, I know where it is." I cried when I knew I was coming here. But, in fact, it took me a long time to find this big city.

I really appreciate that the A.F.S. chose me just the right town and the right family. My days at Tracy High have really been different but pleasant for me.

A vacation in Disneyland made my dreams come true. Thanksgiving, Christmas, New Year's---are days I will never forget. My wonderful year in Tracy, is a year I will always cherish. I only wish to say. . ."Do-mo Arigato".

Every citizen of this country, whether he pounds nails, raises corn, designs rockets or writes poetry, should be taught to know and love his American heritage; to use the language well; to understand the physical universe, and to enjoy the arts. The dollars he gains in the absence of enlightenment like this will be earned in drudgery and spent in ignorance.

The 1970-71 Student Congress has been involved in many activities which they hope will benefit the community as well as the school. Student leaders have revised the constitution in hopes that it will be able to help better meet the needs of our student body. In addition to completing the remodeling of the pond, located in the Senior Court; they are drawing up plans to establish a student park to be located north of the Social Studies building. For the past several years Congress has been involved in the door to door fund raising campaign for the March Of Dimes. Students of Tracy have obtained national recognition for their participation in this event. Congress also coordinates all homecoming activities with the exception of the parade and they are involved in the initial selection of the two Tracy A.F.S. students.

The purpose of this organization is 1) to learn to stand for ideals of true womanhood, 2) courtesy of speech and manner, 3) simplicity, 4) loyalty and honor, 5) aid in all worthy Student Body Activities, and 6) promote a good name of Tracy High School. TRACY BULLDOG BAND

"THE PRIDE OF TRACY"

Aside from performing great half-time shows, the Bulldog Marching Band engages in many other activities. The band started off a great year by winning a first place trophy in the U.O.P. Homecoming Parade. Elated about bringing home a trophy, the band was equally happy in beating their rival competition, Manteca. The members of the band also traveled to Merced to compete in the Central California Band Review, an event in which they proudly placed fourth. Another triumph for them was their invitation to perform at the San Jose-Utah Homecoming Game before a prodigious audience.

The Pride of Tracy completed their marching season with their long awaited trip to Long Beach. Although they didn't place this year, everyone felt that it was a very exciting and rewarding trip.

Special credit should be given to our illustrious director, Joe Foster, without whom the 1970 marching season would have been impossible.

The band also attended the Sacramento Stage Band Festival at Sacramento City College on April 24th and gave a concert at the College of the Sequoias in Visalia on May 15th.

THE APPLE TREE

"The Apple Tree", a musical by Shelcon Harnick and Jerry Bock, was the first musical done at T.U.H.S. in several years. It was presented in a semi-arena style. The play consists of three acts: "The Diary of Adam and Eve", based on a story by Mark Twain, "The Lad or the Tiger", based on a story by Frank R. Stockton and "Passionella", by Jules Feiffer.

It was rewarding to work with the cast, Mrs. Levy, and Mrs. Stocking. All in all the cooperation of the entire cast, combo and crews helped to make "The Apple Tree" the success that it was. The creative abilities of Greg Frye and Nancy Lasiter were appreciated by all . . . a very special thanks to these young people.

RATINGS OF EXCELLENCE

The current speech team has compiled the greatest record ever made by a Yosemite Forensic League Team! It has now won seven straight Y.F.L. Tournaments, has won the B Division League Championship and leads in the race for the A Division Title at this time.

If Tracy wins both divisions in the same year it will be the first time in Forensic History that this feat has ever been accomplished.

Superintendent of Schools

SUPERINTENDENT'S MESSAGE...

A paragraph listed in a high school publication under the heading HISTORY OF TRACY JOINT UNION HIGH SCHOOL dated October 1, 1957 reads as follows:

"For some time community leaders recognized the need for a high school and finally brought the matter to a vote of the people living in the grammar school districts of Carnegie, Jefferson, Naglee, Tracy and Lammersville. The election held in July 1912, was favorable and the West Side Union District was formed with an assessed valuation of two and half million dollars."

In the Fifty-eight year period the district has grown from an enrollment of 25 students to 1900 day students and 1700 adults who are served in late afternoon, evening and weekend classes. The portion of the main building on campus which now houses my personal office was completed in 1917 at a total cost of \$60,000. The replacement cost of the facilities in current use on this campus exceeds five million dollars.

I commend Mrs. Mary Landis and her 1970-1971 El Portal Staff for their yearbook theme and the creative ideas in pictures and words contained in this memorable publication.

BOARD OF TRUSTEES

The Board extends its heartiest congratulations to the graduating class of 1971. We sincerely hope you have been challenged to think, analyze, and make decisions for yourselves. If you have just listened, recited, and know all the answers, we have failed our roles as educational policy makers. Instead, if you feel challenged, uncertain, but determined to explore what lies ahead, we have accomplished our goal of preparing you to meet the future. We hope we have given you confidence in yourself as an individual and helped you realize that there is always more than one side to every situation.

(Like many of you, I am completing four years of association with Tracy High and we have both seen and experienced many changes since our freshman year in 1967. I feel. . .) There have been definite and positive steps taken towards bridging the "generation gap" as well as numerous student oriented innovative programs instituted over the four years. But as the present economic situation dictates, we will see increased curtailment of educational offering and ask for your continued support of the educational endeavors of our school.

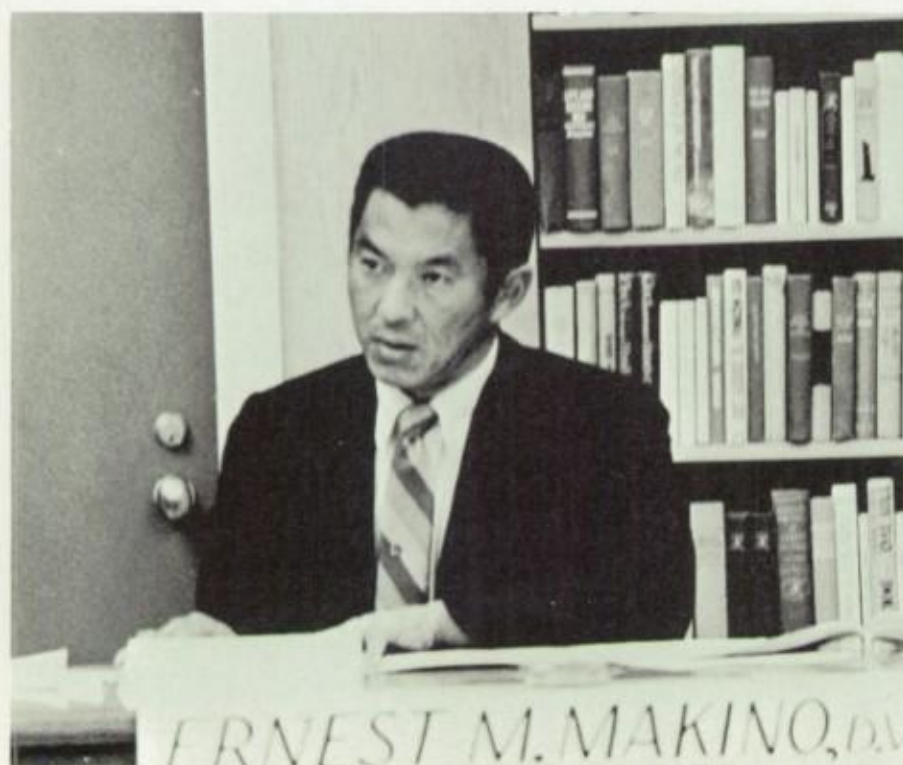

Good luck and God speed.

PRINCIPAL'S MESSAGE-EL PORTAL

The history of another school year has been recorded on the pages of our El Portal.

This has been a very fine year and I would like to congratulate each student who took time to become personally involved on the many school activities which transpired during the year and that are so graphically recorded on the pages of this year's El Portal.

Your individual efforts were important and significantly contributed to the success of our school year. I thank you for your personal contribution.

To the members of the graduating class of 1971, I wish to extend my best wishes for your continued success as you journey down life's pathways. May it be a rewarding and happy adventure.

TEACH YOUR CHILDREN

TEACH YOUR CHILDREN

You who are on the road
Must have a code
That you can live by
Because the past is just a goodbye.

Teach your children well,
Their father's hell, did slowly go by.
And feed them on your dreams
The one they fix,
The one you'll know by.

Don't you ever ask them why
If they told you, you would cry,
So just look at them and sigh,
And know they love you.

And you of tender years,
Can't know the fears
That your elders grew by,
So please keep them with your needs,
They seek the truth before they die.

Teach your parents well
Their children's hell
Will slowly go by,
And feed them on your dreams
The one they fix,
The one you'll know by.

Don't you ever ask them why,
If they told you, you would cry,
So just look at them and sigh,
And know they love you.

Someone once coined the phrase "This was a labor of love." Only those people involved with putting this yearbook together can appreciate how aptly the phrase applies to the 1970-71 El Portal. It is to those people that I would like to express a word of appreciation.

To my editor and assistant editor, Diane Collins and Susan Varela, who led the team, to each faithful member of the El Portal staff, to Mr. Frye, who always had an encouraging word, to my aide Mrs. E. Vital, and to the many teachers who so graciously cooperated, I would like to express my thanks.

My sincerest wish. . . The success of this yearbook.

Paula,
You'll always be forgiven, what ever you do wrong.
When ever you are afraid, remember not to ~~run~~ run.
Don't ever lie, just keep it straight. I always love and never hate.
Don't be a fool, please keep it cool. Fred had will keep his
eye on you. I stay in school and make something of yourself.
You don't have to be popular, but do what you can. Don't
think that this is a prayer, but just a little advice
